A '**Required player**' is someone who has a spot in a team and is clearing to another junior club at their own choice. Or someone who has recently played for the club & the club was expecting them to play in the next season, but the player is clearing to another club at their own choice.
A '**Non Required player**' is someone who has been given a clearance as there is no team to play in.
Example (Team Withdrawn or not enough teams for them to play)
- Once the clearance has been processed notification will be listed on the SDBA website under clearances heading. Receipt will be sent only if required.
- It is the responsibility of the new junior club to ensure the player has been cleared prior to playing them.

*Please note, the "To Club" is not required to be completed before having it signed by the junior club you wish to be cleared from. However, it must be filled in before the form is sent to the SDBA.
